At the international trade fair

WIRE 2024 in Düsseldorf

join the best:
15. - 19. April 2024
Düsseldorf, Germany

Dear business partner,

From 15th to 19th April 2024, the trade fair WIRE, the world's No. 1 leading trade fair for wire and cable, will once again take place in Düsseldorf with more than 1.300 exhibitors. Once again, we, EZM Edelstahlzieherei Mark GmbH, will be exhibiting there. We would like to invite you to visit our booth in hall 12 / A16. The event offers exhibitors and visitors an ideal platform for an intensive and personal exchange!

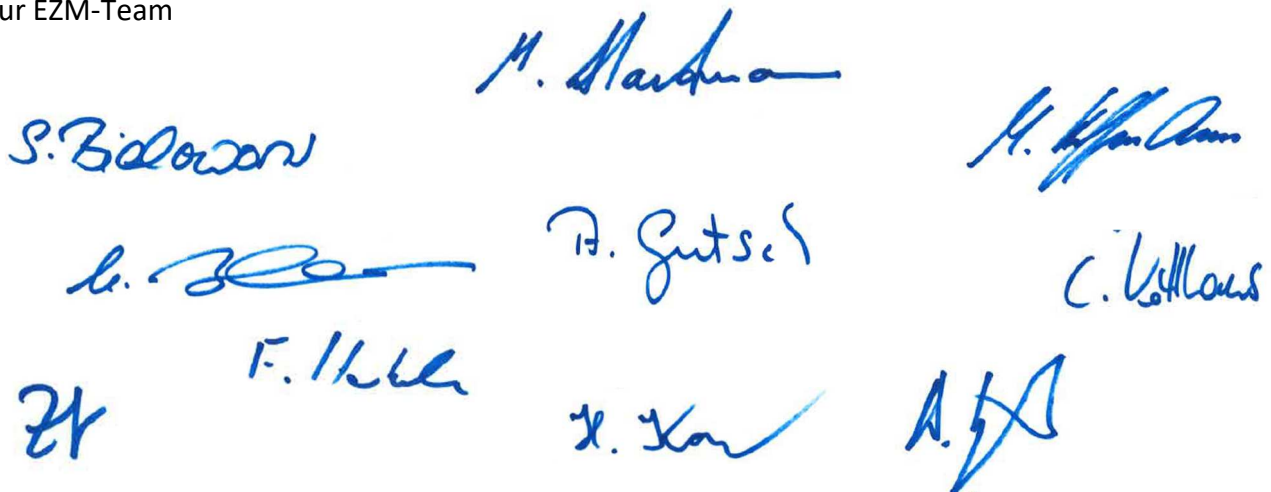

Be our guest at our booth! We will be happy to provide you with a free admission ticket. You can order a registration code for this from our employee Mrs Zarife Eroglu by telephone (+49 2335 977 415) or by e-mail (z.eroglu@ezm-mark.de).

If you are already planning your visit to the fair, please make a note of Thursday, 18th April 2024 from 15:00 to 18:00 h. On this afternoon, we would like to bring a bit of the flair of Düsseldorf's old town to our booth. With a tasty "Altbier" and a hearty bite to eat, you can relax with us and our other guests after a hectic day at the trade fair.

We look forward to your visit and to interesting conversations during the fair.

With kind regards

Your EZM-Team
